
Library

There is a separate Reading Room and a Library for the student. The Library consists of a collection of rare books and classics on Education.

The Reference Section in the Library is open for B.Ed. students before and after classes. The resident students are encouraged to use the library more often.

All the books have been placed in cupboards according to the relevant Theory Papers. The Encyclopedias and Year books are in different sections/cupboards. Apart from other Journals, the NCTE Journal for which yearly subscription has been sent is being used by staff and students.
